Summary

The Aerohub Business Park is next to Cornwall Airport Newquay and is one of the UK's largest designated Enterprise Zones, providing planning-free development, rate relief and enhanced capital allowances

The Aerohub Business Park is next to Cornwall Airport Newquay. It is one of the UK's largest designated Enterprise Zones with potential business rates relief and enhanced capital allowances for qualifying businesses. The development plots also benefit from a Local Development Order (LDO) enabling the development of the serviced plots with simplified planning*
